LENTEN SEASON

“Coming to know our God more intimately through Jesus Christ is the work of our lives. That work began at Baptism when we went down into the waters with Christ and rose to new life with Him. Each year during Lent we ponder this mystery and we pray for the people who are preparing for Baptism at the Easter Vigil.

“Life so easily carries us away! We get distracted from our relationship with Jesus; we turn away from God’s love and do wrong. Lent is the time we try with all our hearts to turn back to God.” (Children’s Daily Prayer)

Let us use this time of Lent to reflect on our lives and turn to God. Life is so short and eternity is forever!

PAPERLESS

As you already know, our school has gone paperless. However, some families are not receiving all the information that they should be getting. Please, check our website and your e-mails. Also, please listen to all the Instant Alerts that are sent home. If you are not receiving any, then please call the office and we will check to see why this is not happening.

The last Instant Alert was sent home on Monday, February 22nd regarding the MOSI presentation.

Hopefully you are checking your son’s/daughter’s academic grades on PowerSchool. The only report card that you will be receiving in grades 1 through 8 will be issued at the end of the school year. If you have any questions regarding academics please e-mail the teachers. You will receive an answer as soon as the teacher receives your note.

PG KEY

I hope you all read the e-mail sent to you regarding the device that will protect your son/daughter as they surf the internet. They need to be protected. There is so much out there that is both beneficial as well as detrimental.

Please consider the benefits and security this device will provide. I believe it is a good investment. The icon is on our website’s home page.
