THE MONTH OF NOVEMBER

During the month of November we celebrate two very important Catholic feasts. The first of these is the Feast of All Saints, Sunday, November 1st. On this day we honor all those who are with God in heaven. There they intercede for us, assisting us by their prayers.

We also remember all the faithful departed, those who have died and are preparing for their entrance into eternal glory by being purified in purgatory.

The Church chooses the entire month of November for increased prayers on behalf of the souls in purgatory. Everyday, then, we should include the souls in purgatory in our prayers and in our Eucharistic Celebrations. Our prayer now for them will hasten their entrance into heaven and their prayers for us will help us now and in the future, for surely they cannot help but be mindful of those who assisted them when they were in need of prayer.

POWERSCHOOL

The first marking period ended on October 15th. We have not issued report cards because you are able to view your son's/daughter's grade on PowerSchool.

Remember we are all learning how to use this program, so we will work with you to answer any questions you have when you come for Parent Conferences the first week of November.

ALUMNI NEWS

It is always a joy to hear about our graduates. I know we all take pride in the following.

Class of 2008: Daniel Francois, Spencer Valdespino. Class of 2006; Taylor Badonsky, Danielle Collinsworth, Brittany Galloway

PARENT-STUDENT-TEACHER CONFERENCES

November 5th and 6th are special days set aside for you, the parents, to come to school and discuss your son's/daughter's academic progress with the teachers. The teacher appointments are filling up quickly. If you have not sent in your request for a time please do so.

VOLUNTEERS

We are in need of volunteers for lunch time every day. When you do volunteer, it is important that you honor that commitment. Calling in at the last minute to cancel ties up Anna's time with making phone calls to get a parent to cover. Please help us so the school schedule flows smoothly.

Please read the Volunteer Handbook that is on our website.

PICTURE RETAKE DAY

Retake day for students and graduates will be on Wednesday November 18th. Any student wishing to have their picture retaken must return the first set of pictures. No one will be allowed to have a retake without returning their first set. Graduates must have their proofs in order to have retakes done.

YEARBOOK NEWS

There is still time to purchase your yearbook at the bargain price of \$18. The price will go up on December 18th to \$20. We have begun to put this years memories together, along with a few from last year. **We need page sponsors, business card ads and other little extras to help defray the production cost** of our book. If you have any pictures that we can use please send them in to the office in an envelope marked "Yearbook". Please indicate if you would like the pictures returned.

Our yearbook is made possible through the generosity of many of our Notre Dame families and friends. Thank you! Our goal is to pay for the book and have no out of pocket expense.
